SUBJECT: Change Proposal LAC-100, Improved HF
Radio Installation

TO: Contracting Officer

The WSPO has reviewed subject Change Proposal and does not desire to incorporate this proposal in its entirety at this time. The WSPO proposes that those items listed under paragraph 1.b. "Installation Provisions" be accepted at this time, and the items under paragraph 1.a. be held in abeyance pending development of firm operational requirements for a possible replacement radio.

Request you provide the contractor formal notification of WSPO approval of this portion of the Change Proposal and those portions of paragraphs 2 and 3 necessary to accomplish this task.
